

The Universal Scholarship ...when there are no other choices.

All proceeds from the Big Break Golf Classic benefit the **Universal Scholarship Fund**.

The Universal Scholarship provides financial aid to students who would otherwise be unable to attend college. In these turbulent economic times PJC is experiencing a surge in enrollment. Students are choosing PJC as an affordable alternative to distant colleges and universities.

The Universal Scholarship provides re-training for workers who have been laid off and education for single parents so that their families will benefit as well.

The Universal Scholarship benefits students who would not qualify for scholarships demanding a higher GPA or for students who just missed the financial cut-off for federal aid.

The Universal Scholarship provides help with both tuition and books to students in Escambia and Santa Rosa counties.

The Universal Scholarship makes college possible.
